Auto-Ordnance Offers Custom "Squadron" 1911

(Greeley, PA) - Auto-Ordnance, maker of the famous "Tommy Gun" and other classic firearms throughout history, is proud to offer the Custom "Squadron" 1911 pistol.

The latest custom 1911 in Auto-Ordnance's WWII commemorative series is the "Squadron" model. This pistol features custom graphics reminiscent of those painted on fighter aircraft during the war. The muzzle displays the "shark mouth" nose art often seen on American fighter planes like the P-40 Warhawk. The Army Air Corps insignia is on both sides, and a rivet pattern is engraved over the gun. The finish is a highly durable, worn black and gray cerakote. The overall appearance makes for a pistol that looks like a WWII fighter plane getting ready to race into the skies hunting bandits! Auto-Ordnance is proud to offer this latest custom 1911 in honor of the pilots who flew in defense of our nation during WWII . May their bravery and sacrifice always be remembered!

The "Squadron" 1911 is chambered in .45 ACP and features checkered wood grips with the U.S. logo. It comes shipped with a 7-round magazine. The model number is 1911BKOWC3 and it has an MSRP of \$1,106. Contact your local firearms dealer to purchase.

Kahr Firearms Group and Outlaw Ordnance have partnered together on the design concept and promotion of this product, and several other custom firearm projects. Outlaw Ordnance, based out of West Monroe, Louisiana, has seen substantial growth in the last few years. They are changing the firearm industry with custom designs and innovations.
