25th Anniversary

For 25 years, Kahr Firearms has produced the iconic K9®, the compact 9mm pistol that started the revolution of single-stack 9mm handguns to follow. The K9 remains unrivaled as the pinnacle of precision engineered, all steel, single-stacked, 9mm, compact auto-loaders. Many others have imitated the design and concept, but none have matched the K9's reputation for quality, reliability, and accuracy.

In honor of this milestone in firearms history, Kahr is proud to introduce the "25th Anniversary" limited edition K9. Each 25th Anniversary gun starts out as a proven K9 pistol, chambered in 9mm and made entirely in the United States from stainless steel. The guns are then custom engraved with front and rear slide serrations, slide porting, and a commemorative "25 Years" logo. The barrel and trigger are brightly polished. The finish is highly durable Sniper Grey Cerakote®. Hogue® aluminum grips are custom engraved with aggressive stippling and the new Kahr logo. TruGlo® tritium sights add a functional touch, angled to allow one-handed slide retraction. Each pistol ships in a plastic case, with three magazines, and a matching custom 1791 leather holster.
