Limited Edition 25th Anniversary Kahr K9 Now Shipping

(Greeley, PA) - Kahr Firearms Group, a leader in innovative firearms design and manufacturing, is pleased to announce that the Limited Edition 25th Anniversary K9 pistol is now shipping.

Kahr Arms first introduced the Limited Edition 25th Anniversary K9 in April during the NRA Show. Each 25th Anniversary gun starts out as a proven K9 pistol, chambered in 9mm and made entirely in the United States from stainless steel. The guns are then custom machined with front and rear slide serrations, slide cut-outs and an engraved commemorative "25 Years" logo. The barrel and trigger are brightly polished. The finish is highly durable Sniper Grey Cerakote. Hogue® aluminum grips are custom engraved with aggressive stippling and the new Kahr logo. Tru-Glo® tritium sights add a functional touch, angled to allow one-handed slide retraction.

As a limited edition piece, only 500 production models of the 25th Anniversary K9 will be made. They will each be engraved with their number in the series of 500. Each pistol ships in a plastic case, with three magazines, a certificate of authenticity and a matching custom 1791 leather holster. The 25th Anniversary K9 (K9094NC1) has an MSRP of \$1649.

To honor Kahr's 25th Anniversary, the first Kahr K9 ever built in 1994, along with the first 25th Anniversary K9 in the series, will be displayed in the NRA National Firearms Museum for a special six month exhibit. To learn more about the museum, visit NRAMuseum.org.
